

# It's Up to You

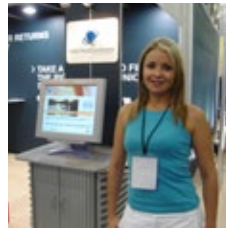

To Stay Educated on the Latest  
Construction Practices

(luckily, CSI is here to help)

**Attend the CSI Salt Lake City Symposium and Tradeshow**

Wednesday, February 24, 2010 | Utah Cultural Celebration Center

## Symposium Tradeshow Attendee Information

This year's **CSI-Salt Lake Chapter Symposium** is designed to be your **best opportunity** to obtain the training you need to **stay out of trouble** on your construction projects. Attend the educational seminars and product show for as long or as short as you wish. We have gathered some of the leading experts in the country to speak on some of the most important, and sometimes least understood, aspects of construction projects.
